Allowable Subject Matter

1. Claims 1-53 are allowed.
2. The following is an examiner's statement of reasons for allowance: Claims 1-24 and 48-53 were allowed in the previous action. Please see Reasons for Allowance in the previous action. Applicant has now amended independent claim 25 to recite an apparatus ***of a microarray spotting instrument*** for determining pin locations in a printhead. The Examiner believes this limiting of the apparatus to a detection device ***in a microarray spotting instrument with a printhead having pins*** places claim 25 in condition for allowance over the previously cited prior art. The prior art cited in the previous action does not teach an apparatus for determining pin location in the printhead of a microarray spotting instrument.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
